SCHOOL EVALUATIONS

Each year the school evaluates several areas of operation. Annual school targets are reviewed in preparation for writing the Annual School Report. This year also sees the end of our three year plan, which is also being evaluated in preparation for the 2012 - 2014 School Plan. Please take the time to complete the surveys attached to **last** week's newsletter and return to school as soon as you can. Thank you to all our families who have already returned these forms.

PEATS RIDGE PUBLIC SCHOOL COMMUNITY HALL OPEN DAY

Last Saturday the new hall was open for the community to come and view. We hope you were able to come along and see how great our school community hall is. Once again we thank Mr Randall for obtaining the sausages and onions for the open day. Any local groups are welcome to show an expression of interest to hire the hall for after school activities (dance, taekwondo etc).

PROFESSIONAL PAINTER REQUIRED

We require the services of a professional painter to complete the hall exterior painting. The hall awning which was built after the main body of the hall requires painting. We have the paint but because of OH & S guidelines we need a professional painter with appropriate scaffolding to complete the job. Please contact the school office if you know a painter willing to quote for the job.
